

Title : Graduate Analyst, Global Markets (MARK)
Location : Seoul, Korea
Contract type : 2 years fixed term contract

Societe Generale is one of the leading European financial services groups. Founded in 1864, we have been playing a vital role in the economy for over 160 years. With more than 110,000 employees based in 58 countries worldwide, we accompany 32 million clients throughout the world on a daily basis. Based on a diversified universal banking model, the Group combines financial strength with a strategy of sustainable growth.

MARK(Global Markets): Our market activities are integrated into a multi-asset class, multi-product platform focused on delivering high quality investment, financing and risk management solutions to: asset managers, pension funds, private banks, banks, insurance companies, hedge funds, corporates, family offices, sovereign funds and retail network distributors around the world.

OUR CULTURE:

At Societe Generale, we live by our 4 core values of commitment, responsibility, team spirit and innovation. We are engaged and demonstrate consideration for others. We act ethically and with courage. We focus our talent and energy on collective success. We experiment and propose new ideas. This way, we maximize our ability to serve client needs and anticipate market changes. Societe Generale is committed to strengthening bonds with colleagues, communities, and the world in which we live, because relationships are at the heart of how we operate. Please visit our APAC career website: <https://www.societegenerale.asia/en/careers/building-your-career-with/> for more information.

DIVERSITY, EQUITY & INCLUSION (DE&I):

Our mission: Recruit, develop, advance, and retain a diverse workforce that is united in our efforts to enhance our competitive position and deliver innovative solutions to our clients.

Our vision:

- Engaged workforce that is demographically diverse in a way that reflects the communities in which we operate
- Inclusive culture and workplace that recognizes employees' unique needs and utilizes their diverse talents
- Engage our community and marketplace, and position the organization to meet the needs of all its clients
