

About Alvarez & Marsal

Alvarez & Marsal (A&M) is a global consulting firm with entrepreneurial, action and results-oriented professionals. We take a hands-on approach to solving our clients' problems and assisting them in reaching their potential. Our culture celebrates independent thinkers and doers who positively impact our clients and shape our industry. The collaborative environment and engaging work—guided by A&M's core values of Integrity, Quality, Objectivity, Fun, Personal Reward, and Inclusive Diversity—are why our people love working at A&M.

The Team

Within A&M Korea, we work with Private Equity and Corporate clients throughout the business cycle by furnishing transaction advisory, growth strategy advisory, turnaround, interim and crisis management.

Due to continued business growth and investment in building our team, opportunities are available for those interested in learning within a professional consulting firm and we are seeking highly motivated, analytical, inquisitive and open-minded individuals to work as **Intern**.

How you will contribute

The successful candidate will play a key part to support for strategy consulting projects (participation in various projects such as corporate/business strategy, new business development, growth strategy, M&A due diligence, performance diagnostics, profitability/operational performance improvement, financial/operational restructuring, etc.) The internship will work up to 12 weeks of internship, followed by an evaluation to determine conversion to a full-time Analyst position.

Qualifications:

- Graduates or students expected to graduate by September 2026 (For those expected to graduate, immediate employment after the internship is required)
- Ability to define and structure problems
- Problem-solving skills based on hypothesis-driven thinking
- Strong logical reasoning and communication skills
- Prior internship or relevant experience in consulting firms preferred

- Proficiency in MS Office preferred
- Fluency in Korean and English preferred

Your journey at A&M

We recognize that our people are the driving force behind our success, which is why we prioritize an employee experience that fosters each person's unique professional and personal development. Our robust performance development process promotes continuous learning, rewards your contributions, and fosters a culture of meritocracy. With top-notch training and on-the-job learning opportunities, you can acquire new skills and advance your career.

We prioritize your well-being, providing benefits and resources to support you on your personal journey. Our people consistently highlight the growth opportunities, our unique, entrepreneurial culture, and the fun we have together as their favorite aspects of working at A&M. The possibilities are endless for high-performing and passionate professionals.

Overview of A&M Asia

A&M established its Asia presence in 2003 and currently has offices in Greater China (Hong Kong, Shanghai, Beijing and Shenzhen), Korea, Singapore, Malaysia, Indonesia, Vietnam and Australia. In addition to these locations, A&M Asia has extensive experience in serving clients across other APAC countries.
