

Job Title | 2026 DCM Intern
Department | Debt Capital Markets, Korea
Internship Program | 6 months (Starting date as early as December 2025)

Why Mizuho

Within the Pan Asia entities of Mizuho Securities, our greatest asset is our people, and we are committed to promoting a vibrant and supportive environment full of opportunities. Just like our global client and customer base, our people come from diverse backgrounds and our success is supported by our creativity, teamwork, and collective abilities as individuals to exceed the dynamic needs of our customers.

We provide the stability of an international industry leader with the career trajectory of a growing business. Our strategic growth gives our people at all levels rewarding degrees of responsibility and a richer work experience than a boutique firm or an established giant could offer alone. With a focus on growing and expanding our platform across Asia, we are committed to attracting, hiring, retaining, and rewarding the best-in-class talent.

Job Description

Mizuho Securities Asia is looking for an intern to work in our Debt Capital Markets team based in Seoul. The successful candidate will be involved in all aspects of deal origination and execution which includes the following:

- Support the DCM Korea team in deal origination and execution which includes;
 - Analysis of potential target clients
 - Preparation of pitching materials (Credentials / Recommendation including tranche, pricing, issuance strategy, schedule, etc. / Market Update / Case Study)
 - Execution of transaction-related legal documents, investor meeting materials
 - Management of internal procedures (compliance, risk, finance, etc.)
- Management of market data update package on a weekly/monthly basis
- Coordination with regional colleagues for periodic market overview reports
- Reporting to regional management team on pipeline status and performance
- Good external & internal relationship management

What You Can Expect From The Job

- Opportunity to test yourself for debt capital markets career and explore many other positions in finance
- Steep learning curve from intense working culture and high level of work engagement compared with other internship position

- Experience in working in a multi-cultural workplace with diversified team background

Role Prerequisites

- Strong academic record preferably major in Business, Finance, Economics
- Possess a good understanding of and passionate about Finance markets, especially Debt Capital Markets/ Credit Markets
- Attention to detail and good organization skills
- Articulate, strong communicator, and can write and speak fluently in English and Korean
- Diligent, strong work ethic and possesses an entrepreneurial and team mindset
- Advanced Microsoft Office (Word, Excel, Powerpoint)
- Relevant internship experience will be beneficial
- Japanese skill is an advantage

Application

Please submit your resume to Mizuho Careers ([Mizuho Careers \(recruitmentplatform.com\)](https://mizuho-careers.recruitmentplatform.com)) no later than December 5, 2025.

Applications will be reviewed on a rolling basis, so we strongly encourage early application.

Company Overview

As a leading Asia-focused investment bank, we provide corporate and institutional clients with unparalleled access and expertise in Japan and Asia. We are the partner of choice to many in the region, offering a wide range of investment banking and global markets solutions for the increasingly-sophisticated and technological needs of our large client base – primarily corporations, financial institutions, pensions, asset managers, and public sector entities.

Our parent company – Mizuho Financial Group – came together in late 2002, merging three of the largest banks in Japan and is today one of the world's largest financial institutions. With our global presence and affiliates across Asia, Americas and EMEA, we're able to meet local market needs with a combination of unique market insights, knowledge, and capabilities.
